

Adopt a Shelf

Frisco Family Services is currently serving more than 325 families in the food pantry and is distributing over 40,000 pounds of food each month. With the dramatic increase in demand for services, it is important that we keep the food pantry shelves stocked with items that are continuously needed.

Adopt-A-Shelf is a great opportunity for your group, family, or organization to make a difference in your community.

This is how it works:

1. Pick an item from the needs list.
2. Set a goal for the amount of items you would like to collect and how often.
3. Complete the application and send back to FFS.
4. Promote and collect the item(s) within your group.
5. Deliver them to the FFS Food Pantry at 9085 Dogwood Street in Frisco.

TIPS

Make it fun by:

- Creating a friendly competition within your church, group or business.
- Use as a team building exercise.
- Use the collection experience as a teaching tool for children.

ADOPT-A-SHELF GUIDELINES

- After choosing an item, confirm with FFS to make sure that it is on our current needs list.
- Setting a goal will help FFS have an idea of how much of the item to expect each month.
- Be sure to count the items before you come so you will know how many items you collected.
- Call ahead when delivering your donation so that we can assist you with your donation.
- FFS would like to recognize you on our newsletter and website. Please be sure to let us know your group information when bringing your donation and complete a donation form.

If you feel that you are unable to make a commitment to adopting a shelf but would still like to help, you can host a food drive and collect many of the items from the needs list. Simply complete the application form and indicate your food drive dates and delivery information.
